ST. VINCENT DE PAUL SOCIETY NEWS

GRATITUDE: The St. Vincent de Paul Society would like to thank all ladies of the Altar Rosary Society for their generous allotment of Goodwill vouchers. We help lots of families in many different ways at our home visits. We never know before a home visit exactly what the need is beyond the utility bill that needs to be paid. We are grateful for being able to offer more in the way of toiletries and clothing needs. God bless all our generous supporters because we are helping this community together. A heartfelt Thank-you from the SVDP Society.

NEEDS: We are in need of furnishings for a family of three that is starting over with nothing and one electric washer for a single mom with two children.

Thank You,

Put Mass on your family schedule every week!

Studies show that the best way for parents to be sure their children will remain faithful Catholics when they grow up is to take them to Mass every weekend. That's how children learn that Jesus is there for them now and always. If you have trouble getting your family to Mass every weekend, consider this: **"Weekends are a busy time for our family."** Schedule Mass on the calendar the way you would an important soccer game or dance performance. There are many different Mass times at different parishes, including Saturday night Masses of Anticipation and Sunday nights. Think of Mass the way you do any favorite activity and schedule around it. **"My children have religious education class. That's enough."** Giving children a firm grounding in the faith is very important but not taking them to Mass every Sunday is like serving them a steak dinner that's missing the steak. Jesus is present in the flesh every Sunday at church. Don't miss the chance to bring your children there too.
